

NEW-YORK DAILY TRIBUNE, MONDAY, JANUARY 9, 1854.

The \$40,000 St. Louis bonds, advertised as lost or stolen in Paris, have been found. They were mislaid.

The Reading Railroad brought down, for the week ending on Thursday, 10,267 tons, and since the lot of December, 122,556 tons, against 116,587 tons to the same time last year.

The Dauphin and Susquehanna Coal and Railroad Company have completed their connection from Harrisburg to the line of the Reading Railroad at Auburn, with the exception of two miles of heavy excavation. They have made Mr. Elwood Morris, late of the Schuylkill Canal, their engineer and agent in chief.

The Money market is active both at Boston and Philadelphia.
